ALERUS

Welcome to your enhanced experience for the **RETIREMENT PLAN NAME**. We're excited to provide you with upgraded digital tools and resources to help you prepare for a financially secure retirement.

Your retirement plan access includes a powerful retirement savings platform that's easy to manage, whether you're at home or on the go. While the investments and features of your plan have not changed, the way you access your account has been updated. Follow the instructions below to get started.

ONLINE

To set up your account:

1. Go to alorusrb.com, click **Log In**, select **My Alerus**, and click **Go**.
2. The first time you log in, you'll need to create an account:
 - Click **Set up online access**
 - Enter the required information
 - For **Alerus Account Verification**, use your retirement plan number.
 - Your Alerus Retirement Plan Number is **XXXXXX**

Once your account is created, log in anytime to view your balance, update contributions, manage investments, download tax documents, and more.

To access and manage your account:

1. Log in at alerusrb.com. Bookmark this page for future logins.
2. Click **Retirement** in the Accounts section
3. Select your retirement account
4. From there, you can:
 - Change contributions (if allowed)
 - Update investments
 - Manage beneficiaries, and more

MOBILE APP

After you've created your account online, download the Alerus Retirement mobile app for easy access anywhere:

- **App Store** (Apple devices)
- **Google Play** (Samsung and other Android devices)
- Log in using the same credentials you created online.
- Facial recognition and Touch ID available.
- Available in English and Spanish.
